

INSPECTOR

THE POSITION

The District is recruiting to fill an inspector position at one of the following levels (depending on qualifications):

- [Inspector](#) (\$41.60 - \$58.16 per hour)
- [Senior Inspector](#) (\$53.51 - \$66.88 per hour)

To review the qualifications, please review the job descriptions linked above or the job announcement linked [HERE](#).

This is a great opportunity to work in an outstanding organization where you will have the opportunity to work with an amazing team to gain experience in wastewater to help advance your career.

**Does not include a 6% COLA that goes into effect 7/1/2022.*

IDEAL CANDIDATE

The ideal candidate has:

- Experience with inspecting large capital projects, especially those related to water/wastewater treatment facilities, such as pipelines, tanks, mechanical processing equipment, and electrical distribution gear.
- Familiarity with testing methodologies for compaction, concrete strength, welds, gravity sewers and manholes, and electrical distribution gear.
- Strong understanding of OSHA construction safety requirements regarding excavations, working at elevation, ladders, confined space, and general housekeeping principles.
- Excellent communication skills, both in written daily reports and emails, and verbal communication with contractors, District project managers, operations/maintenance staff, and other project stakeholders.
- Thorough attention to detail to ensure that projects are successfully constructed to meet all design requirements.

DUTIES

In this position, you will serve as construction inspector to ensure compliance with plans, specifications and enforcement of District regulations relating to construction of wastewater treatment facilities, collection systems, pumping stations and other construction projects. You may also be responsible for preparing and reviewing drawings, maps, plans and specifications for maintenance projects and assisting with project and construction management.

You will work collaboratively with engineers, engineering staff, maintenance, operations, contractors, and city employees on a regular basis both inside and outside of the wastewater facility.

HOW TO APPLY

1. To apply, please click [HERE](#).
2. Complete an online application using the link above.

FILING DEADLINE:

5:00 P.M. (PT) Monday, June 27, 2022.

EMPLOYEE BENEFITS

FAIRFIELD-SUISUN SEWER DISTRICT

The Fairfield-Suisun Sewer District is a wastewater special district serving approximately 147,000 customers in Central Solano County, California, about 40 miles northeast of San Francisco.

The District safeguards public health and helps protect the Suisun Marsh, the nation's largest brackish water marsh and the largest remaining contiguous wetland on the Pacific Coast of North America.

Over several decades, the District has evolved from a technical engineering entity to a valuable resource manager, partner in local economic development, and active member of the watershed community. The District has taken numerous actions to shift traditional thinking about the way wastewater utilities are run.
